

From the Director's Desk:

Ms. Shayla and I would like to thank all our amazing families for being so understanding and patient with us as we work through this patch of both being in classrooms full-time; as well as doing other job duties.

Just a reminder that we are still here for any concerns you may have. Please do not hesitate to reach us by stepping into the room we are in, or by sending us an email.

-Ms. Brittany & Ms. Shayla

REMINDER:

Don't forget to turn in summer schedules to your teachers before June!

-Thank you!

Administrator: Tonya Dillingham

Center Director: Brittany Ortiz

**Carelot Supervisor: Shayla
Buchkowski**

HAPPY BIRTHDAY!

Ms. Diana May 2nd
Oakley – May 4th
Santiago – May 5th
Ryker – May 15th

Dear Infant A-1 Families,

Ms. Bri and I would like to start off by saying, **HAPPY MOTHER'S DAY** to all our wonderful Mothers in Infant A! Your babies are growing up to be wonderful individuals and it's all thanks to your hard work.

We would like to say goodbye to our friends Daniel, Harrison, Amelia, and Olivia as they move to side two. Ms. Bri and I are going to miss hanging out with you guys on side one. We would like to welcome our new friends to Infant A Will, Reid, and Deacon! Make sure you give our new friends lots of waves and smiles when you see them!

As we learned about the circus last month, our friends got to play with balls as we pretended to be professional jugglers from the circus. Our younger babies enjoyed looking in the mirror as they got to see their facial expressions when they were sad and happy. For our older friends, many of us have been trying to get on all fours and explore the classroom. Our room has been super busy exploring and getting face-plants from falling by getting on all fours.

This month we will be focusing on holding our own bottles and learning how to roll over for our younger infants. As for the older infants, we will continue practicing crawling and getting less injuries from falling.

As we continue to have unpredictable weather, make sure your child has appropriate attire for the classroom and outside time. We thank you for always listening to our suggestions and bringing in diapers and extra clothes as needed.
-Ms. Kalia, Ms. Bri, Ms. Jordyn

Happy May!!

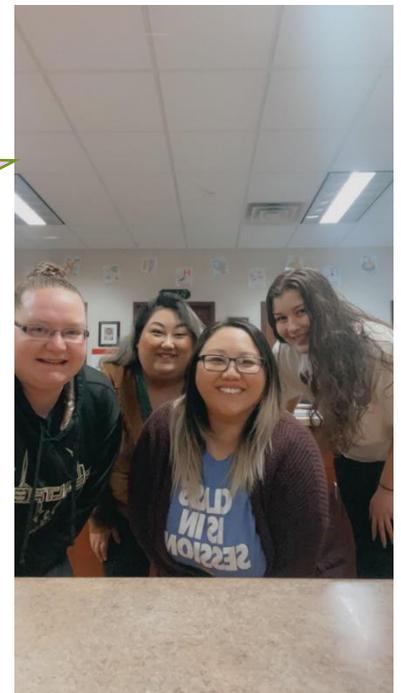

We can't believe it's already May! We are so excited in welcoming our new friends Olivia, Amelia, and Harrison moving up to Side 2. Big congratulations to our friends Emmitt, Everly, and Oakley to Infant B. We are so happy our friends are learning and growing up so fast.

This month we are continuing to teach our friends waving "hello" and "goodbye, and continuing signs of "all done", "more" and "please". We are also teaching our friends how to put their toys in the buckets where they belong. Our friends have been so active learning how to pull themselves up, climb in and out of the ball pit, and throwing soft balls to one friend to another.

As the weather is getting warmer, please continue to bring in sweaters, hats, and sunscreen when we go for our morning and/or afternoon walks.

If you have any questions or concerns, please don't hesitate to ask!

Ms. Honey and Ms. Sam

Infant B Families,

Summer is almost here. Last month we learned about the circus and did circus themed activities. We had circus pictures hung up around the classroom where the kids could touch. A few photos that the class liked the most were the elephants' eating watermelon, the shiny circus wagons, a circus wagon with a giraffe inside of it and the picture of the three elephants together. We read a few circuses themed books, but our favorite was *Never Touch a Snake!* Our current theme is seasons! We plan to do activities based off the season for that week.

It is that time again where we say our goodbyes to the friends moving up to Cherry and hello to our new friends coming from Infant A. We will miss our friends moving to the next room, but we will still see them when we play outside this summer. We are excited to get to know our new friends coming into Infant B.

A few reminders:

Please continue to send weather appropriate clothes as we go outside two times a day.

If your child is walking or starting to walk, please bring in shoes for them to wear outside.

Thank you,
Ms. Damara and Ms. Savannah

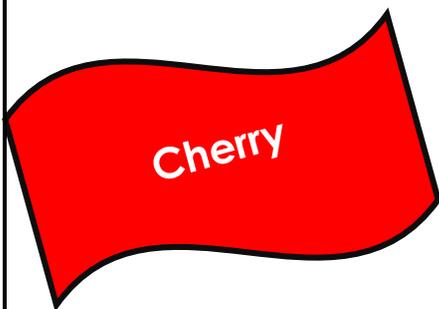

Wow April flew by!! Let's hope May brings up nice weather and a lot of fun.

This past month we have been working hard on open face cups and have them pretty much mastered with minimal spills. We have also been working hard on using our silverware instead of our hands to eat so please encourage it at home to better help them here! We are also still steadily using/ at least trying the potty with every diaper change.

We have been doing a lot of art, from coloring with crayons to finger painting. This month we are going to be learning all about the different seasons and we can't wait. Who knows with how this weather been we may get all 4 seasons still in May (let's hope not)!

If you have any questions or concerns, please never hesitate to come to us.

Ms. Aisha and Ms. Vickie

The month of April has flown by, and May is here. During the month of April, we had fun exploring all things about the circus! Our friends especially enjoyed learning about circus animals, making elephants in art and making circus snack mix.

We have really appreciated the warmer temperatures and have enjoyed getting outside more on the playground and going for walks. We had fun wishing Ava, Kelsey, and Bexton a big happy birthday as they turned three. We are also celebrating with Grayson, Sully, Oliver, and Amelia as they will be graduating to the Blueberry room, and we will be saying a big hello to Sophia, Stratton and Maren as they will be joining us from the Cherry room.

Our theme for the month of May will be fun with the Seasons, we look forward to exploring all things spring. We will be learning about spring weather, spring animals, bugs and grubs, and planting and growing. As always please feel free to come to us with any questions, comments or concerns you may have and thank you for your support as we continue to learn and grow every day here in the Olive room.

Ms. Becky, Ms. Maddie, Ms. Zong

Ms. Zong's last day will be May 20th, 2022! Thank you for the hard work you have given Little Scholars Beginnings. We hope you have a great journey ahead of you.

Blueberry

WELCOME!

I would like to welcome Ms. Brittney to Blueberry! She will be assisting Ms. Diana in Blueberry. If you see her, don't be shy and say hi!

Hello Blueberry Families,

What a great month we had. This month we worked on learning our letters and how to cut them out. We also welcomed our new friend Liam to our room!

Next month we will be learning about the changing of the seasons; and what better time to talk about change than now?!

Blueberry will be saying goodbye to lots of friends while they move to grape. We will be welcoming Oliver L, Amelia, Greyson P., and Sully into our room. We certainly have lots of fun planned for May.

-Ms. Diana and Ms. Brittney
