LITTLE SCHOLARS BEGINNINGS

SEPTEMBER 2025

INFANT SIDE ONE

I can't believe how fast this summer flew by. With the weather changing please make sure that you are checking your child's cubby to make sure they have the appropriate attire. We will still continue our walks in the mornings and evenings.

Last month we welcomed our friend Cole and our newest friend Beau. We are so excited to have you guys join our classroom!

We had so much fun doing art and learning about animals on our walks. Camping was fun with our little ones in Infant A as we played with different textured mats, building a tent, and going on walks and identifying the animals we see and hear!

September will be a month full of practicing sitting up, crawling, rolling over, and holding our own bottles.

-Ms. Kalia & Ms. Toni

INFANT SIDE TWO

If you haven't met Ms. Liz, she is our new teacher on side two! Prior to working here at LSB, Ms. Liz was a former Assistant Teacher at the YMCA! The kids adore her and love playing with her as she loves to make them laugh while blowing bubbles.

On side two, we are working self-help skills. We encourage the kids to sign more and all done during meal time. We are also working on colors and shapes as well as sharing. Our side is learning how to share and taking turns when playing with a toy.

This month we've got some new friends coming over from side one. We have been trying to let the kids explore water play on Fridays depending on the weather. We enjoy taking our friends on walks as they like to see the ducks and birds in the pond.

Friendly reminder that all medication brought in will need to have a form filled out with date and time of administered.

Thank you,
Ms. Faith & Ms. Liz

CHERRY

This month we've had some changes in Cherry room! First of, we said goodbye and good luck to Lorelei and Cameron for moving up to Olive room. We wish you guys the best on your new adventure. With that we welcome Franklin and Riley to our classroom! This month we are learning about camping. The kids really love the story, "We are Going on a Bear Hunt" and all the silly words throughout the story. There is also many camping inspired art planned out for the month. When we're not reading or doing art the kids really love building with blocks and playing with cars. We've also been practicing learning our color with the blocks and cars.

With the warm weather on Friday's, the kids are still enjoying water day mornings. Even popping bubbles.

We can't wait to see what the rest of this month brings us!

Ms. Savannah

BLUEBERRY

This week in blueberry we will be focusing on the subject camping. Our dramatic play we will be doing binoculars tents and campfire foods. We will be making tents out of popsicle sticks for our project along with painting our feet for our lanterns. We might also be making a trail mix with marshmallows, chocolate chips, and graham crackers.

Thank you ,
Ms. Taryn
Ms. Nikki
Ms. Lauren

OLIVE

Summer is coming to a close, and the month of September is already here! The Olive room has been a busy and fun place this August as we explored the theme going camping. Our friends especially enjoyed exploring in our dramatic play area as they cozied up in our cabin, cooked over a campfire and discovered lots of different camping tools/ equipment. We also had lots of fun tie-dying, and making s'more trail mix!

This summer we have really been enjoying our time spent outside, we have been having a great time going for walks, playing on the playground, and playing in the sprinklers, our friends love the splash mat and jumping in puddles. At the end of August, we said a big goodbye to Daxtin as he graduated to the Blueberry classroom, and we welcomed Mason as he graduated from cherry room. We look forward to so much fun ahead as we get ready for fall, and all the new exciting things it will bring.

During the month of September, we look forward to the theme All About animals, we will be exploring and learning about dinosaurs, pets, jungle, ocean and farm animals. be listening for some new animal songs and looking for lots of fun animal art projects. As always please feel free to come to us at any time with any comments, concerns, or questions you may have, and we thank you for your support as we continue to learn and grow every day here in the olive room.

GRAPE

This summer Grape room welcomed in a new wave of friends. This close group of friends had a boatload of fun this summer. They also practiced skills to prepare for 4K such as numbers, colors, and writing letters. They also loved coloring and crafts with a few kids claiming to be "expert cutters." I am very excited to work with friends going to 4K here in the fall. While I'm very sad we will be losing some friends in the coming days, I'm very excited for their next adventure. I hope everyone enjoyed their summer!

Mr. Brett
