INFANT A SIDE 1

Winter is flying by so fast this year! Infant A side one has been so busy keeping germs away in our room. Last month we learned about giving nice touches, using kind words, and talking about the people we love in our life. We hope you enjoyed our little art projects and tiny photo shoots. This month we are going to learn about who we are. We will learn where our eyes, ears, mouth, nose, and feet are. We will also be reading books by Dr. Suess. Thank you for participating in our class assignments with our "All About Me" worksheet.

We are sad yet excited for our older friends Riley, Franklin, and Jordyn who moved up to side two. Watching you all learn and grow into your own personalities has been a blessing.

Have a great month!

-Ms. Kalia

INFANT A SIDE 2

Wow, where did February go? We have been busy this month from slowly transitioning to one nap, to transitioning off our bottles. We have loved the freedom of indoor and now that it's warming up we are ready to go for walks or go play outside so please send shoes, hats, gloves and jackets so we can get fresh air and rid the sickness out.

In March we will watch our friends John, Hudson, Margot and Eleanor all move up to Cherry and we will welcome Frankie, Jordyn and Riley S on to side 2.

We are also going to do all things Dr. Suess throughout the month and maybe turn into Leprechauns!

Ms. Brittany, Ms. Sam & Ms. Toni

CHERRY ROOM

Woah! February went so fast! During the month of February our theme was all about safety. We did many safety related art projects, as a way to teach them simple safety things. The friends also love doing our movement dances for circle time and at the end of the day. We've also been working more on taking turns and sharing. As we head into March we are working towards being more independent, like putting our nap time stuff away and doing the buckle animals by ourselves. As March begins we say good bye to Alisae and Croix as they move to Olive. We also say hello Hudson, Margot, Eleanor and John as they join our Cherry room. Here to March and the fun the month we bring us!

Ms. Savannah and Ms. Anna

OLIVE ROOM

February has flown by, and March is already here! The Olive room has been a busy and fun place this February as we explored the theme of safety. Our friends especially enjoyed learning about firefighters and fire safety, we also enjoyed learning about police officers, and traffic safety, and had fun playing the game red light green light.

During the month of February, we really appreciated our indoor playground as the weather kept us from going outside a lot. When we went outside, we had lots of fun making snow angels, sledding and throwing snowballs. During the month of February, we had fun celebrating with Rylan, Will and Atlas as they turned 3! We also had so much fun getting ready for and celebrating Valentines Day! We enjoyed lots of yummy treats, fun games and a Valentine's movie!

During the month of March, we look forward to the theme, all about Dr Seuss, we will be exploring many different Dr Seuss books including One Fish Two Fish Red Fish Blue Fish, Green Eggs and Ham, The Cat in The Hat, and many others. We Also look forward to celebrating as we wish Reed and Selene and happy Birthday during the month of March. Always feel free to come to us with any comments, concerns, or questions you may have and thank you for your support as we continue to learn and grow every day here in the olive room.

Ms. Becky and Ms. Nikki

BLUEBERRY ROOM

In the Blueberry room we have been busy learning and exploring different types of careers. A Lot of the kids in the blueberry room enjoy dressing up as Hairdressers, Teachers and Construction workers. In the month of February we will continue exploring the different types of careers along with learning about what each individual career means and what exactly they are. We are sad to say good bye to Alex, Watson and Santiago as they move up to Grape, but we get to welcome Fynn to our room!

We are having a blast getting to know the room and having a little extra one on one time well the others are in 4k. We have been doing a lot of art projects! Through March we will be switching up the Grape room and reorganizing so keep your eyes out well we rearrange and get new toys.
