Words from the **OFFICE**

Food will be served at flexible intervals, but no child will go without nourishment for longer than three hours. Therefore, we ask that parents do not bring their child(ren) into the center with food from home to eat in the classroom(s). If your child needs to eat before they arrive at daycare, please have them finish their food **PRIOR** to entering the center.

Thank you,
Ms. Brittany
Ms. Shayla

Little Scholars Beginnings

April

INFANT A-1

We are so excited for warmer weather as April approaches! Please make sure you are checking your child's cubby to ensure appropriate attires as the weather gets warmer. Also, please keep in mind that we will be taking more walks outside if the weather permits.

Last month our friends got to listen to stories written by Dr. Suess and paint using zip-block bags to work on our fine motor skills and get some sensory exploration. This was a fun and engaging activity to introduce early learning concepts while being able to stay clean. This month we will be focusing on Circus theme! We will be working on visual tracking with our little ones using bubbles.

Towards the end of this month I, Ms. Kalia will be on vacation in Thailand and will return at the beginning of May. While I am gone, Ms. Jess will be taking over my spot! See you guys in May!

Ms. Kalia

Ms. Jess

INFANT A-2

This month we have adjusted to the time change it was rough! We have been working on feeding ourselves and it has been so much fun learning how to use a spoon. We may get messy but we are getting so much out of it, from building our fine motor, to feeling new texture and building on our independence. We enjoy getting out to the indoor every morning as well the few times we made it all the way outside! Please remember to send shoes and coats as the weather gets warmer we will be going outside more often. Coming in April we will continue to build on our independence along with learn all about the Circus!

Ms. Faith

Ms. Sam

CHERRY

There have been some BIG changes in Cherry room during the month of March! First, let's welcome Hudson, John, Margot, and Eleanor to Cherry room! We are so happy to have you in our classroom.

Throughout the month of March we did many Dr. Seuss related art projects based on his many fun and silly stories. The kids also loved our circle time songs and dances. Some of them are even now singing along and have gotten some of the movements down.

We have also been working more on asking for help and working more on using our words when something makes us upset. We can't wait to see what the month of April brings us!

Ms. Savannah
Ms. Anna

OLIVE

March has flown by and April is already here! The Olive room has been a busy and fun place this March as we explored all things, Dr. Seuss. Our friends especially enjoyed the books, "Cat in the Hat, Red Fish, Blue Fish, and Mr. Brown Can Moo." We also had lots of fun making fish art, exploring a fun and colorful sensory table, and having a Dr. Seuss movie day!

During the month of March we continued having fun exploring outside in the snow our friends enjoyed making snow angels, sledding and throwing snowballs. We had fun celebrating with Reed and Selene as they turned 3 this month! During the month of April, we look forward to more fun as Emerine and Quin celebrate their birthdays.

Throughout April we will be exploring the theme "All About the Circus." We will be having a lot of fun as we learn about the people, food, things and animals you see at the circus. We also look forward to getting ready for and celebrating Easter! As always, please feel free to come to us with any comments, concerns, or questions you may have; and thank you for your support as we continue to learn and grow every day here in the olive room.

Ms. Becky
Ms. Nikki

April

BLUEBERRY

In the Blueberry room we have been busy learning about Doctor Seuss and all his fun rhymes and riddles. We love to read his books, especially "There's a Wocket in my Pocket" and "One Fish Two Fish." In the month of March, we will continue to have some fun with some books and making fun art projects like Truffula trees and the Lorax along with some cat in the hat.

In the month of April, the blueberry class will be learning about Circuses. We will be learning about all the neat and exciting animals along with all tricks and flips. We will be learning about what a circus is and be doing some fun and exciting activities.

Ms.Taryn
Ms.Payton

GRAPE

March we got to talk all about Dr. Suess and all the silly books he wrote! We pretend to be Truffula trees and used our imagination to build our own trees and houses. We are all really trying to pick up after ourselves and make sure our stuff is in our cubbies or hung up so please help us with that at drop off and pick up. April will be all about the Circus and that is one thing us Grape friends are good at is being a Circus. Here's to a month of fun and adventure.

Mr. Brett
